

Leadership Development

Program Tenets

Leadership Coaching

- LEAP grant recipients will have access to a professional coach for 1 year and receive up to 24 1:1 coaching sessions, funded by LDSFC.
- Coaching supports individuals in reaching their objectives, helps them leverage opportunities and overcome obstacles that sabotage their success.

What Coaching Is Not:

Mentoring, counselling or performance management.

Coaching can Provide:

- Leadership Readiness
- Increased Productivity & Creativity
- Increased Engagement
- Decreased Time to Market
- Reduced Costs
- Resilience
- Increased Self-Awareness
- Improved Skills in:
 - Project and Time Management
 - Conflict Management
 - Public Speaking and Presentation

Networking Opportunities

Heritable Aortic Disorders (HAD) Symposium

LEAP grant recipients will have the opportunity to attend the next HAD symposium to meet field experts and patients and present their work. Travel and accommodations funded by LDSFC.

LEAP Alumni Facebook Group

Inclusion in private LEAP Alumni Facebook group, a place for all past and current LEAP applicants and recipients to connect, learn, and collaborate.
